A SLICE OF ITALIAN SUNSHINE IN BUTLER'S WHARF

Cantina del Ponte is an authentic Italian trattoria in the heart of Butler's Wharf.

Brimming with Italian charm and a team with a wealth of knowledge from various regions in Italy, influences are infused at every level. Home-made pasta and bread in every shape and form is created on-site and a lot of the produce is sourced directly from Italy. We have a wine list concentrating on different regions bringing some of the best Italy has to offer.

At Cantina we have a passionate team who will do anything to make your experience with them a memorable one.

The interior boasts a magnificent mural running across one wall illustrating an Italian market place complemented by terracotta floor tiles. With views of Tower Bridge, in summer months we have a leafy terrace which is perfect for drinks receptions or intimate dinners.

If you are looking for authentic, regional and rustic cooking, Cantina del Ponte is the place for you.
